**Golden Acrylics on Yupo Paper**  
**Taught by Barbara Olekas**  
**Sat., Mar. 10, 2018**

In this class, we will be using yupo paper with Golden acrylics being used in a watercolor manner. We will also be using painter's tape to create a batik look that can only be achieved with this method. It is fun, surprising and will tap into your creative side! It's a method that was developed by Sandy Maudlin. We will also touch on another method that she developed to make your photos more painterly and get better value understanding. You will be able to do a value study in minutes instead of hours. Barbara Olekas is an award-winning artist and has been a member of DAGSO for about 30 years. She has studied with artists like Louise Jackson, MDA, Mitchell Tolle, and Joe Fettingis to name a few.
