

September Class Sign-Up Acrylics with Linda Perry Saturday, Sept. 12, 2026

Please join us as member, Linda Perry teaches at DAGSO for the first time. Linda has been a member of DAGSO for 25 years and is currently the treasurer for our group. She has had no formal training in art but has taken many classes throughout the years with different painting teachers at GCDA, HOOT and the Miamisburg Art Gallery. She took her first painting class in New Jasper at a craft shop and hasn't stopped painting since. This is her first teaching effort. Her style is very "loose" so it should be a good class if you've ever wanted to loosen up. Linda is especially pleased to have so very many painting friends.
